RE: Tract 066952

Dear Mr. Allday:

Thank you for your letter inquiring of the impact on our school district of the above mentioned project. As per your letter, here is the requested information:

Currently this subdivision will lie within the boundaries of Quartz Hill High School, 6040 West Avenue L, Quartz Hill, CA 93536. This campus currently serves grades 9 through 12. The purchasers of homes in this subdivision may reach the school sites by calling (661) 718-3100.

School bus transportation is available to students who reside more than three miles from each comprehensive high school site. To assist with the operation costs of this program, a transportation fee for 2006-07 is assessed at \$75.00 per rider per semester; or \$150.00 per year.

We would appreciate being kept apprised of the status of the project and will provide whatever data necessary to assist you in your planning.

Sincerely,

A handwritten signature in black ink that reads "Larry M. Freise".
